

Netted butterfly bracelet

Embellished netting stitch

This lovely bracelet is done in embellished netting stitch. The bracelet in the photo above measures 1.0 inch in width and 6.7 inches in length without the clasp.

You will need the following items:

Approximately 8-10 grams of 11/o dark gold seed beads – I used Miyuki

Duracoat dark gold from www.caravanbeads.net

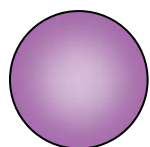

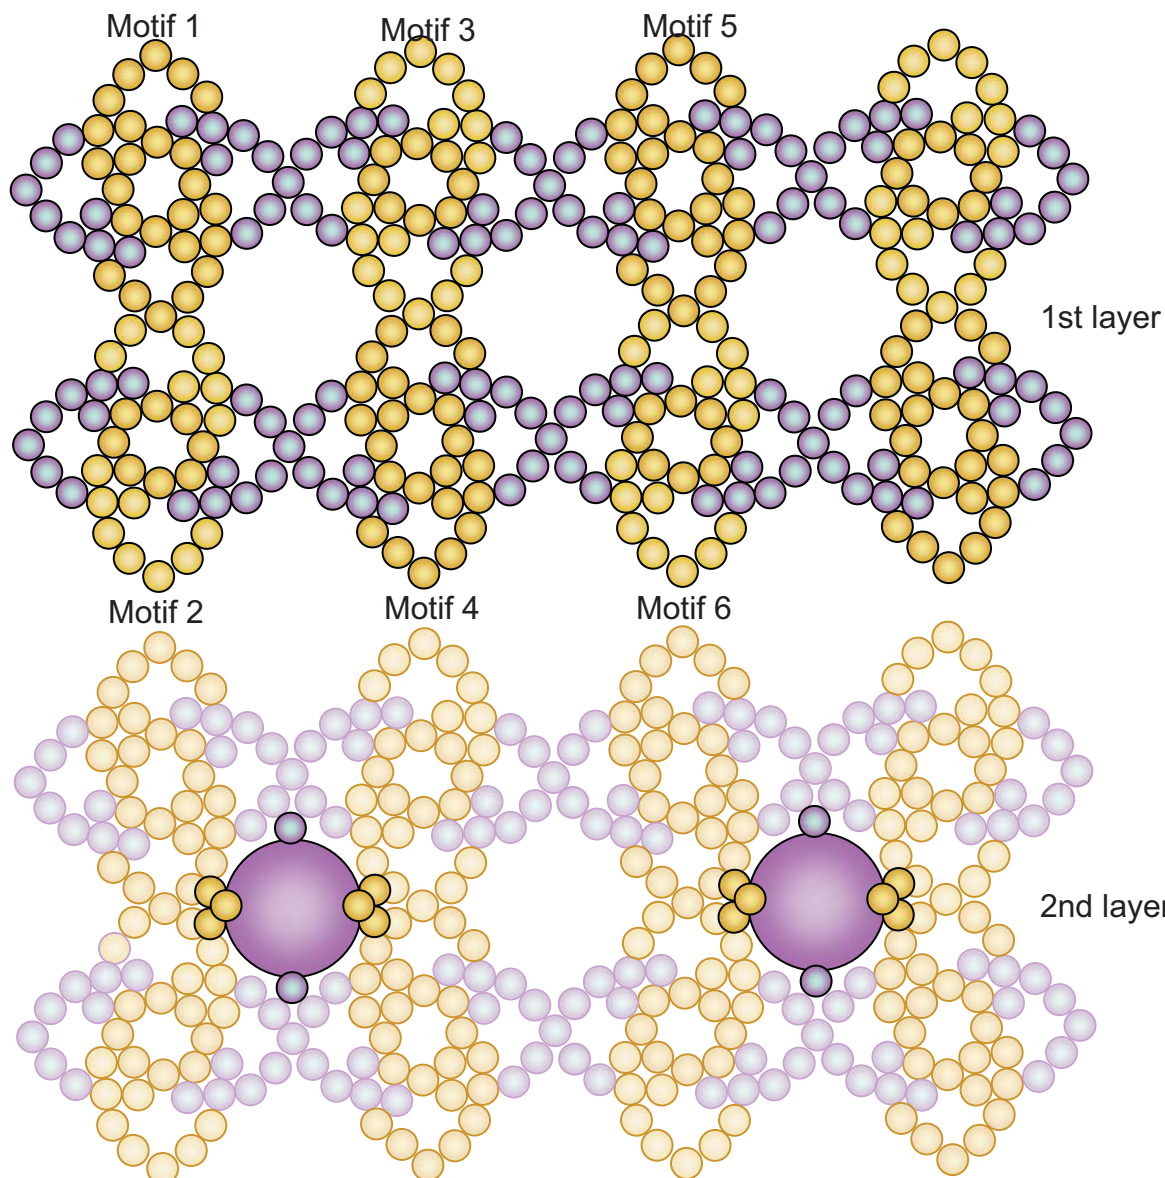

8-10 grams metallic purple iris 11/o seed beads – www.cbbeads.com

7 x 6mm round pearls – purple – www.shipwreckbeads.com

1 x 3 strand tube clasp – www.firemountaingems.com

This pattern is free and you may use it to make items for sale, but please do not copy, distribute or sell the file or any part of the instructions.

If you need any help with this pattern, please contact me at Juanita.carlos@gmail.com

6mm round pearl – **CODE IS PEARL**

11/0 seed beads – purple – **CODE IS P SEED**

11/0 seed beads – gold – **CODE IS G SEED**

These are the bead layout diagrams for the bracelet. Make the first layer first, then add the embellishment.

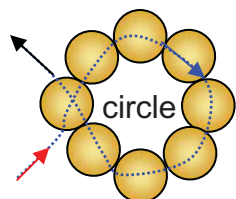

The pattern is laid out step by step with detailed graphics and text instructions. You will notice in the diagrams that some of the areas are shaded dark (black outlines) and some areas are shaded light.

The dark shaded areas (black outlines) show beadwork that still has to be stitched, while the light shaded areas show beadwork that has already been stitched.

Please pay attention to the diagrams and text while making this bracelet.

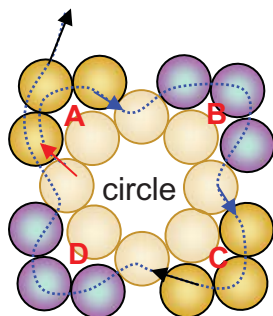

NOTE: Always start at the **RED** arrows, then follow the **BLUE** arrows, then the **BLACK** arrows.
